

Mobszter's Words

- round 1 -

*"I don't wanna be a product of my environment,
I want my environment to be product of me." (Departed movie)*

Is this what I suppose to have, a school, a hobby a job?
Still being told what to do? Is this going to - stop?
I end up in da spot, where speech got to be dropped,
if I want power to change things, I got to live like a mob.

Preachers told me many things, like be nice and prey,
but over the time I've learned I've got stop being gay.
I've got to finish what I've started, life doesn't replay,
starting over and over, that's fuckin cliché!

Am I paid to smile and take shit? I ain't no kid, I chose to.
Wanna keep the fuckin job? Then I better get used to -
to a simple life challenge, how much shit I can bare.
"I got kids to feed, mortgage to pay!", bitch I don't care!

Man got to make his own way, even it takes a stitch.
Or be like my father, telling his kids, that life is a bitch!
Fortunately for ya, there is still a way you can make it,
you have to kiss someone's ass and look like you don't fake it!

Just look at the society, that your best available teacher.
Who else could be the teacher? The god-damn Christian preacher!
Touching little male creature, Vatican torrent porn leecher.
"Kneel and stand, cause even my dick is God featured!"

*"You are so innocent and your skin so soft!
Lets pray to the God children...ehuh :)"*
*"If you are for that sort of thing?
I don't know what to do for you." (Departed movie)*

I got to be big so I can take care about my chick!
I wanna make her happy, but not just with my stick!
I wanna be a gangster with a bad ass nick!
But maybe I'm just a prick, saying some shit to make you feel sick!

Mobszter's Words

- round 2 -

I'm given the right, call it a blessing from God,
to do I want to do, so even I cut my dad's cock!
I'm the consequence, call it the hand of God,
I got power, I live by my own rules, they call those a mob.

They call me da EVIL DOC, who just doesn't give a fuck!
I don't care if you suck cock or rock, I don't care what you got!
If you disrespect my lollipop, I turn on the boiling pot,
then spill it on your testicle sack, shut a fuck up - if you want me to stop!!

Don't act like a poor sucker, like you didn't know.
I mean you stupid motherfucker, I'm not gonna let it go!
You are a coward and I'm evil - so I'll make it slow,
I kill ya with my flow and then make it glow -

by this beat, I bet you are now you feeling da heat.
Sorry is not enough now, your pain is what I need!
Your heartbeat, gaining speed, screaming, you are so sweet!
I spill as much boiling water till your balls start to bleed!

So you see, I'm the kind of fucked up juvies,
saying some sick shit you don't even see in da movies!
Love me, hate me, ignore me, still I'm a fuckin beast!
I can't be regular, cause I don't practice on my knees!

"You got it motherfuckers? Cause I don't practice on my knees.

Yo we all make our choices right? :)"

"If you are for that sort of thing?

I don't know what to do for you." (Departed movie)

I got to be big so I can take care about my chick!
I wanna make her happy, but not just with my stick!
I wanna be a gangster with a bad ass nick!
But maybe I'm just a prick, saying some shit to make you feel sick!

Mobszter's Words

- round 3 -

Deep in da factory of darkness, in da place free of rules,
making up evil ridicules, about those civilized innocent fools.
Place where I have nothing to loose, giving me cues,
I got my own style so why would I dance on blues!

And now you are becoming a fan, hater, critic, of the iconic.
Last two got their balls burned, I find it - ironic.
Now they should show some Christian love and forgive me.
It's all about love, before you dance with me.

He said: *"move your white ass"*, I said: *"move your black ass!"*
I almost got my ass killed, that makes me a bad-ass!
Nigger, can't blame me for what happen to your people's ass,
stop feeling sorry for your ass, stop feeding this evil, the DOC says!

I don't give a damn if you are black, white or my wife!
If you talk shit, I'll get you off my side, out of my life!
I do what I want, I say what I want, I keep it real,
cause I'm a fuckin mobszter, eating his favourite meal!

And by the way fuck the government, anything they do to you,
is just for them, they don't care about those close to you.
I'm responsible for my own matters, I cause my own suffer,
but for you, regular, I'm still just a bad motherfucker!!

"You see? I'm just a bad motherfucker, I ain't no regular you know! :)"
"If you are for that sort of thing?"
I don't know what to do for you." (Departed movie)

I got to be big so I can take care about my chick!
I wanna make her happy, but not just with my stick!
I wanna be a gangster with a bad ass nick!
But maybe I'm just a prick, saying some shit to make you feel sick!
