"Let us hear what you have to say about these accusations, you got 5 minutes"

I mean damn her, my heart got stitched.
We had a hard time and she told you to switch
my dick, damn he is like a big piece of gold.
How could she do that, how could she be so cold!

Maybe she is getting old, she did what she was told,
married this coward, got her feelings sold
for his piece of paper, told to: *"Secure the future!"*
Got divorced, got another one, now she is trying to lecture

her daughter, telling her my dick isn't worth it!
But she doesn't know the fact, I was send by the Cupid!
Lets face it, we made it so what was that for,
My dick is getting bigger so she wants me even more!

You feel good when someone has a broken heart?
Maybe it is you who has there a little scar!
"that' s it dog, get back to your thing!"
You became a cold bitch, doc knows who is he with?
With somebody who pretends, that gives a shit?

I told you everything straight, cause I have nothing to hide.
About me, about my past, nothing mystified.
To show you I'm for real, set our relationship right.
Yeah, I want your daughter cause her pussy is tight!

You could be honest to me, when you had a chance.
Your favours? You think that is gonna make us friends?
Cooking dinner for me? So you can talk shit later?
You matter as much as a another god-damn hater!

"Order in the hall, calm down, defendant, please, continue!"

Why you talk shit, behind my back?
I'm straight, I'm not sorry about that.
Ego doesn't tell me, what to do, I don't worry.
I got my balls and my word, that's the end my story.

You can feel safe, you don't have to live in fear!
Without them, my dicknity does not exist.
I'm son of a criminal, so I'm gonna use my fist

like a true rebel, who's got nothing to loose.
Judged like some criminal with no chance for truce.
I'm a fuckin scum, so why are you still with me!
Your grandpa is right, you should run away quickly!

I'm not regular enough to be your man.
